Chapter & Verse™

The Big Picture

We describe Chapter & Verse, as "The Applied Bible Study System." If you personally know Jesus Christ, this system provides practical tools for inductively discovering the Truth of Scripture and sharing that Truth with others. By using our workbook we empower believers to learn more about themselves in the light of God's written Word. The small-group format of Chapter & Verse guides believers in their quest for meaningful, Bible-based, harmonious relationships with each other.

WITH THIS MATERIAL, IT IS OUR INTENTION TO OFFER A SMALL GROUP OF CHRISTIAN BELIEVERS A VEHICLE FOR MEANINGFUL THEOLOGICAL COMMUNICATIONS BY PROVIDING A CONVENTIONAL FORMAT FOR STUDY THAT AUTOMATICALLY AND UNIVERSALLY BUILDS INTEGRITY INTO THEIR BIBLE STUDY.

This Bible study system is only a tool. As a resource in your hands, this manual is only a facilitator to help you, with other believers, build relationships that are practical and meaningful; relationships that are based on a shared personal knowledge of Jesus Christ in the light of His written Word. "TABSS" seeks to provide the environment for God to effect in His children, interdenominationally, a harmonious, compassionate attitude toward each other.

The weight of Holy Scripture compels us! John 17:20-23. Acts 2:42-47. Philippians 2:1-5. Colossians 3:12-17.

We must make a concerted, intentional effort to nurture true harmony with ALL who know Jesus Christ that God gives us the privilege to meet. It is HIS will. It is HIS prayer! He will do it if we surrender our petty differences and seek in each other the common ground of faith in Jesus Christ. Chapter & Verse is specifically designed with this absolute truth in mind.

The Supernatural Tools For This Bible Study System Are:

*** A Personal Relationship With Jesus Christ. ***

*** Practical, Harmonious Relationships Among Believers. ***

*** The Revelation Of God And His Will In His Written Word. ***

*** In This Spirit All Have A Part In Chapter & Verse! ***

Session Syllabus

"It is a trustworthy statement: For if we died with Him we shall also live with Him; if we endure, we shall also reign with Him; if we deny Him, He also will deny us; if we are faithless, He remains faithful; for He cannot deny Himself. Remind them of these things, and solemnly charge them in the presence of God not to wrangle about words, which is useless, and leads to the ruin of the hearers. Be diligent to present yourself approved to God as a workman who does not need to be ashamed, handling accurately the word of truth."

2 Timothy 2:11-15 (NAS)

Communication experts define communication as effective when clear understanding of what was communicated exists between the sender and the receiver. There must be activity at both ends of the communication process; and the channels of communication must be open in both directions to allow:

- A) INFORMATION TO FLOW
- B) FEEDBACK TO OCCUR
- C) INFORMATION TO BE CLARIFIED AND ADJUSTED.

Relationship and communication are inseparable! Relationship is based on *the exchange of feelings* as they relate to the information shared. Communication requires speaking or sending information AND listening or receiving information.

HOW THIS RELATES TO BIBLE STUDY:

The Lord Jesus Christ is the "express image of God: (Hebrews 1:3 KJV), "the exact representation of His nature" (NAS). Jesus, as the Messiah, was the physical, tangible expression of the person of God, His character and His personality. Now the Lord Jesus is at the right Hand of the Father (Hebrews 1:3). But He has not left us without the ability to know His character and His personality: "I will not leave you as orphans; I will come to you" (John 14:18 NAS). "If anyone loves Me, he will keep My word; and My Father will love him, and We will come to him, and make Our abode with him" (John 14:23 NAS). John 1:1 names Jesus as THE WORD . Recorded Scripture is the written expression of that Word (Hebrews 10:5-7; Psalms 40:6-8).

The clear, understandable source of information by, and about God is given us in our Bibles. But, if that was all we had we would wind up consumed with legalism and meaningless tradition! Couple this fact with the indictment of the Apostle to the Galatian church:

"You have been severed from Christ, you who are seeking to be justified by law; you have fallen from grace. For we through the Spirit, by faith, are waiting for the hope of righteousness" (Galatians 5:4-5 NAS).

The Holy Spirit is our Teacher! (John 16:13-14). The Holy Spirit of God reveals to us the

feelings of God as we discover His character in the written Word. The two are inseparably vital for us to communicate with God, for us to have a relationship with Him, for us to know Him (Ephesians 4:20-21; 2 Peter 1:2-3). Without the Spirit we can only imagine the feelings of God as we read the Word. And without knowing His feelings we can not know Him! Conversely, without His Word, His feelings seem random and irrelevant, and we fall into speculation and idolatry.

So, studying the Bible is actually to be the vehicle of communication with God. Our participation is the effort to prayerfully study and prayerfully respond to the revelation we receive in that study. This is ultimately solemn! Prayer and Bible study are necessarily associated and together they establish and enhance our relationship with God, our knowing God.

"And this is eternal life, that they may know thee, the only true God, and Jesus Christ whom Thou hast sent." John 17:3 (KJV)

Knowing God is eternal life! Eternal life is not based on a theory, not on an ethereal, theological premise, not on the result of following a certain set of rules; but eternal life is a live, dynamic, on-going, inter-communicating, loving relationship with God by precious, valuable faith! (2 Peter 1:1 KJV). **STUDY THE WORD AND COMMUNE WITH THE SPIRIT IN PRAYER TO EFFECTIVELY COMMUNICATE WITH GOD.**

THE GROUP STUDY FORMAT:

Now, this brings us to the GROUP study. We can reinforce and encourage each other in the pursuit of knowing God. The input we get from others who know God is priceless. Learning to love each other is loving God (1 John 4:7-13). We provide here a format which is the product of failure and success in the past. In using these tools, all we ask is that you commit yourself to love the small group you join for these few weeks. Only YOU can "keep the bugs out" of the system! Do not argue, criticize, or complain. Do not strive against each other over your differences, rather, strive to find and stay on COMMON GROUND with each member. That COMMON GROUND, as we discussed above, is each member's relationship with Jesus Christ. Pray for one another. Encourage one another in your faith.

You are potentially embarking on a life changing experience! Be assured that all of you can contribute something meaningful to each member of the group. By the way: when small groups of Jesus' disciples gather in harmony, LO, AND BEHOLD, HE'S IN THE MIDDLE OF IT! (Matt.18:19-20).

Enjoy.

Session Guidelines

THE GROUP LEADER

If someone would like to lead a "Chapter & Verse" Bible Study Group then we recommend the following guidelines.

(Please note: Christian Concourse, and any one affiliated with Christian Concourse, does not take responsibility for your experience in leading a "Chapter & Verse" Bible Study Group. If you choose to lead a group, it is at your own discretion and you must be responsible for the results. Therefore, we strongly recommend that anyone seeking to be a "leader" of a Chapter & Verse Bible Study Group enter into this endeavor prayerfully.)

The group leader will constantly be mindful to point the group toward love and encouragement for one another. The leader will keep the group close to schedule. He (or she) will facilitate discussion when necessary. He will decide when points of contention should be left in question (see "Key Track" below). The group leader will generally orchestrate the meeting from opening prayer to benediction. Only as time allows will the leader participate in the Random Track or the Key Track, but he will be prepared to do so each meeting throughout the session.

The leader will be responsible for identifying and rectifying problems with any disruptive participant. He will do so in a spirit of love with the goal of reconciliation. The format of Matthew 18:15-17 is recommended, in which case the leader will have the input of the whole group if necessary. If, in the extreme case, a person is removed from participating with the group by the leader, that person may rejoin the group when apology and amends have been made to the group at large to the satisfaction of the group leader.

The leader, at his or her discretion, may collect the Verse Study and Discussion forms after the last meeting and submit them to the director of Christian Concourse Ministries via email for inclusion in our archives.

A SESSION

A "session" is like a semester. A "meeting" is like one class during that semester. A session has a starting date and an ending date. The number of meetings per session is seven (7). The specific meeting times and dates for the duration of the session are to be agreed upon by all attending the first meeting; this schedule should be adhered to if at all possible.

THE GROUP

The group will consist of two to eight persons. If there are more than eight participants, the group should split. All in the group should respect the Christian Bible as God's written Word, striving for harmony with one another in the Spirit of Christ.

Below is a brief overview of each of the forms in the Chapter & Verse Bible Study System.

MEETING NOTES FORM

The meeting notes will be your record of the things others share from their journal in the Random Track. This is an exercise in LISTENING. In your meeting notes you will keep a PRAISE AND PRAYER LIST of good things about each member to praise the Lord for and your prayer requests for each member. The study members are encouraged to pray each day for each member in their group, using their notes and these lists to aid them in their prayer.

THE JOURNAL FORM

The journal is a record of your spiritual pilgrimage; a reflection of your walk with God. Try to write a paragraph a day. Date each entry. Your writing need not be qualified or referenced to specific scriptures. Write your meditations, troubles, poems, spiritual gems, failures, victories, doubts, speculations, etc. When sharing journals, avoid offensive, inappropriate language or subject matter. If a participant desires to submit his journal for archival purposes with Christian Concourse, he should sign the permission line at the bottom of the journal form.

THE VERSE STUDY FORM

The "verse study" form will be filled out as a rough draft for the assigned meeting. After discussing your work, the form will be taken home, rewritten in a polished version and submitted to the leader for certification. If a participant desires to submit his work for the archives of Christian Concourse, he should sign the permission line at the bottom of the form.

DISCUSSION FORM

The "discussion" form will be filled out as a rough draft for the assigned meeting. After sharing your discussion with the group, the form will be taken home, rewritten in polished version and submitted to the leader for certification. If a participant desires to submit his work for the archives of Christian Concourse, he should sign the permission line at the bottom of the form.

RANDOM TRACK - relationships

The Random Track will take up the first half of time given for each meeting. Participants will take equal time (even if they have nothing to say), sharing from their journals without interruptions or comments. Fellow members will keep dated notes on each other in their meeting notes.

KEY TRACK - flow of information - feedback - clarification & adjustment

The Key Track will take up the second half of time allotted for each meeting. All participants will do a verse study for the same verse for the same meeting (see "The First Meeting" below). Participants will have equal maximum time but will not be compelled to use it all. Group members may interrupt for clarification and questions. The Verse Study is to be read and explained as necessary for all to understand your intentions. Changes are in order if indicated by discussion. Differences not able to be reconciled in a proper, harmonious

atmosphere are to be dropped from discussion. Verse Studies are to be done prayerfully, seeking to be clear, accurate and concise. Limit yourself to the space provided in the format. When handwriting, use only the back of the page if necessary - BUT, do not be wordy!

THE FIRST MEETING

The first meeting, and all others, will be opened and closed with prayer. The leader will facilitate discussion in the first meeting, looking for a common interest or concern among the members. The leader will state that issue in clear terms to the group, refining it with discussion if necessary. All will be invited to suggest single verse scriptures which might relate to this topic until, after discussion, there is one assigned to each of the next five meetings. The leader will then go over the syllabus and the forms, seeing that each member has sufficient copies. The agenda for remaining meetings will be: opening prayer, Random Track, break, Key Track and closing prayer.

THE LAST MEETING

Random Track spent sharing feedback on each others' journals. Discussion work based on the Verse Studies of that session will be presented by each member in the Key Track.

PLEASE REMEMBER

As you "do" Chapter & Verse, you will probably experience the reality of the old truism: "You get out of something what you put in it." Don't forget, you are looking to develop your relationship with Jesus Christ and with fellow believers. Your success rests in building on the common ground of your faith in Christ in the light of His written Word. May God So Bless His Church!

Chapter & Verse™

About the Tools

As we worked to develop this study system, we aimed at all times to arrive at a conventional method of Bible study group sharing. Please keep this in mind as you polish your understanding of this method. We do not presume these tools to be the only good way to study the Bible. We do feel that this study system affords the Christian community a means to begin establishing a legitimate foundation for fellowship on our common ground in Jesus Christ.

This is a labor of love for the Body of Christ on earth. Do not think that you do not have a part to play...here it is! Just do it! We have not tried to spare you the necessary investment for "owning" the truth, we have just tried to put it in a format that best facilitates your effort and the communication of the results.

If at all possible, for each form, use only the front and back of it to record your work. Again, be concise. And do not forget to sign the form at the appropriate place on the bottom if we may archive your work for possible use in our publications - remember - this is one of our main goals: to communicate to other believers.

Below is a more detailed explanation of how to use each of the forms in the Chapter & Verse Bible Study System.

Meeting Notes

Use the meeting notes form at every meeting of the session. At the first meeting, take notes on the input from each participant, note the session topic, items of praise and prayer for each person, and log the verse references decided on for study by the group.

Of course, use the meeting notes form in the next five meetings to help you keep track of what is shared from others' journals. If you write the five verses in the given box each meeting, it will help you remember where they are in the Bible.

For the last meeting, bring a meeting note form filled out with your feedback to each member.

Use a blank form to record the feedback that you receive from the other participants.

Journal Form

Try to jot down some notes on the journal form each day. The benefit of the journal takes on more and more weight as you faithfully maintain it. If you go for some time without doing it, just pick up where you left off. This is not meant to be a burden, it just costs a little bit to get the blessing! Once more, let me say...JUST DO IT! And for your own sake, please do not stick your head in a bucket worried over how eloquent you are. Most folks don't pay any attention to that kind of stuff anyway. And if you do think you're "waxing eloquent" the Lord may have to help you regain perspective. Just write, forget your pride and overcome your laziness.

Speaking of laziness, please do remember that the power of prayer does not need any proving - just practice.

Verse Study Form

Follow the verse study form in sequence, top to bottom.

"NEW KING JAMES VERSION TEXT" Write the scripture for this verse study here. We use the New King James Version as a foundation to our work because it is a widely used, quoted and referenced study Bible throughout the English speaking world and, for conventionality, the Strong's numbers and definitions are also fairly accessible for this translation.

"1ST THROUGH 5TH MAIN WORD" Write here your choices for the "**Main Words**" of this verse. You should have at least two. Use the words from the New King James Version text. Next, identify the **Strong's Number** for each word you define. "**Orig. Lang.**" would be the English alphabetic rendering of the Greek or Hebrew word you are defining (e.g., "agape"). Under "**Define**" write the definition in your own words if possible. Always record your "**Source**" - no matter what it is, even if it is your "Opinion" or "Pastor Smitty" or "Webster's New World" or "Vines" or "Strong's." We require no specific reference: your work stands on its own weight.

"ALTERNATE TRANSLATION" Choose any reputable translation, other than the New King James Version, that you have access to. Use the **abbreviation** for your alternate translation as it is specified by the publisher (e.g., NLT for the New Living Translation). Under "**Text,**" write the text for your verse that your alternate translation uses.

"CONTEXT" points you to the passage around the verse you are now studying that directly influences the meaning of the verse. We do not want to take any verse "out of context."
"**Passage**" indicates the starting and ending references of the section the verse is a part of. There is no specific number of verses required as the passage. You must carefully read the preceding and following sections of Scripture around the verse to determine this. Identify the "**Main Word**" and the "**Key Phrase**" of the passage (not just the verse). Use the "**Note**" section for information about this passage as it relates to your verse.

"RESEARCH" should reflect some investigation on your part into what Biblical scholars have recorded on the verse you are studying. Again, we do not require any specific reference, such as Matthew Henry's Commentary, but we do ask that you note your **source**.

"PARAPHRASE" is the pinnacle of your verse study! Thoughtfully compare all the information you have uncovered in your work on this verse up to this point. Then, prayerfully, as accurately as you can, restate in your own words what you feel is being communicated by the Holy Spirit in this verse.

Discussion Form - THINK BEFORE YOU WRITE!

"TOPIC"

Your topic may be your "Session Topic" but you may state your topic to be anything. You can discuss your topic under any or all THEMES or AREAS. Choose your topic AS A RESULT OF

your study of the Bible. Do not use the Bible to prove a notion: it is too easy to be prejudiced by your intellectual pride. You might study Scripture with a subject in mind, and search out what the Bible says about it, but, be open to fresh perspectives and new discoveries as you do so. Do not teach God what He meant, let the Holy Spirit teach you!

"THEME"

Choose your theme from the following table. We list 36 major points of discussion in Scripture (though not by any means to be considered all-inclusive). The participants of Chapter & Verse are welcomed from all the different orbits of the Christian Faith. For us to organize and manage our Bible-based communications, we must agree on some common ground. This is fundamental to the development of meaningful relationships, and, coupled with mutual faith in Christ, is the main focus of Chapter & Verse.

THIRTY-SIX MAJOR THEMES OF SCRIPTURE

0-FATHER GOD	I-GRACE
1-JESUS CHRIST	J-SALVATION
2-THE HOLY SPIRIT	K-SIN
3-HUMANITY	L-ETERNITY
4-SATAN	M-TIME
5-TRUTH	N-HEAVEN
6-DECEPTION	O-HELL
7-HOLINESS	P-CREATION
8-EVIL	Q-DISCIPLE
9-RIGHTEOUSNESS	R-RELATIONSHIPS
A-PRAYER	S-CHARACTER
B-WISDOM	T-GIVING

D-PROPHECY	V-SUFFERING
E-LIFE	W-SACRIFICE
F-DEATH	X-FAITH
G-CONFLICT	Y-HOPE
H-BEHAVIOR	Z-LOVE

"AREAS"

These are the various categories of discussion. You decide which one applies based on the spectrum of Scripture you are using to support your work.

1) DOCTRINE - The pinnacle of your labors. A specific truth that is

- (1) Taught by Jesus Christ in the Gospels,
- (2) Experienced by the disciples in the Book of Acts,
- (3) Explained by the Apostles in the Epistles.

If your discussion is validated by this "three fold cord" in your Verse Studies, then you could select this area. **Required references are: two from the Gospels, one from Acts, two from the Epistles.**

2) THEOLOGY - Specific truth which illuminates the inter-relationships, realms and natures of God, Man and Satan. **Required references are: one from the Gospels, one from the Epistles, three from any section of Scripture.**

3) WISDOM - Specific truth which instructs us in all that pertains to human-to-human relationships and personal behavior. **Required references are: one from the Gospels, one from the Epistles, and three from any section of Scripture.**

4) OLD TESTAMENT - Passages from the Old Testament that foreshadow New Testament truth; mark the historical procession to the Cross; provide practical examples for New Testament teaching; or that serve as types, figures and illustrations of eternal reality. **Required references are: one from the Old Testament, one from the Gospels, one from the Epistles, two from any section of Scripture.**

5) TESTIMONY - Specific truth or insight you feel has been brought to your attention thru a unique experience, a dream, a vision, or in your communion with the Holy Spirit. **Required references are: one from the Gospels, one from the Epistles, three from any section of Scripture.**

6) OBSERVATION - General insight into Scriptural truth which you feel is worth mentioning, but you have not found the specific supporting references required for the other areas of discussion. **Required references are: five from any section of Scripture.**

7) FALSE DOCTRINE - Any teaching identified specifically by the New Testament as false, deceptive or wrong teaching. Also, any teaching which contradicts truth put forth in this study system as a generally accepted DOCTRINE, THEOLOGY or WISDOM discussion. **Required references are: one from the Gospels, one from the Epistles, three from any section of Scripture.**

"PREMISE"

Webster's Dictionary: "To lay down or put forward as preliminary or preparatory to what is to follow." State in concise and clear terms what your point is in this discussion. What specific truth are you addressing? Be careful to select Verse Studies which specifically relate to this premise. As you compose it, stick to this subject in the body of your discussion. Use separate discussions to build upon this premise with related views.

PERSPECTIVE ON THIS STUDY SYSTEM

While learning this Bible study system, think of Biblical TRUTH as the universe; THEMES as solar systems in the universe; TOPICS as moons, planets and meteors in each solar system; this study format is your telescope; AREAS are the various types of lenses giving different resolution, magnification and color to your view.

CONCLUSION

What you have to share with other believers is important. As we have stated in our Syllabus,

just saying something does not mean you have communicated it. The Bible study system of Chapter & Verse offers you this vital tool of communication with which everyone is using the same convention and in which feedback is built into the process. Just telling someone "doctrine" is often very shallow and ineffective. Communication is more than that...it is relationship. As brothers and sisters in Christ, we are called by our Creator to develop relationships that have a solid foundation. The Word of God, Jesus Christ, in each of us is that foundation.

Making the investment that any serious study of Scripture requires will reward you inwardly and enhance your personal relationship with Christ. As you begin to faithfully participate in Chapter & Verse you will see the integrity of this foundation begin to affect and weave itself into your relationships with others. We all long for this in our lives. It is absolutely worth the effort!
